is formulated with ingredients suitable for approval according to the following food regulations:

- **American regulation: FDA Title 21 Section 177.2600**

Please note that the certificate may be issued, following analysis on the finished product, by a specialized certification body.
Tecnoextr s.r.l., for its part, can only guarantee that the formulation of the compound will remain unchanged following the approval by the Certification Body.

Should you need any further clarification, we remain at your disposal.

Kind regards,

Alessandro Rottigni
